Directions for coach parties

Due to very restricted coach parking at the cottage, coaches normally are off loaded in the middle of the village leaving a 200 metre walk westwards up to the cottage.

1. This is at the bus stop adjacent to The Frost Estate Agents office on the left as you drive West just past the Village Green.
2. Alternatively if you are driving East there is a bus stop across the road from Frosts just before you come to the Village Green next to Costa Coffee.

A good place for the driver to spend a couple of hours awaiting the leader's call to return is at Beaconsfield Service area on the M40

Please call 01494 872313 to advise arrival 15 minutes ahead. It would be good to have a mobile number where we can contact your party on the day.
